The Village Board (the “**Governing Body**”) of the Village of Fontana-on-Geneva Lake, Wisconsin (the “**Issuer**”) makes the following findings and determinations:

1. On November 30, 2010 the Issuer issued its \$7,140,000 General Obligation Corporate Purpose Bonds, Series 2010B, which bonds were issued in part to effect a current refunding of a portion of the outstanding principal amount of the Issuer’s \$3,534,545 State Trust Fund Loan, dated July 13, 2009 (the “**2009 State Trust Fund Loan**”).
2. The Issuer needs funds for the purpose of financing the current refunding of the remaining outstanding principal amount of the 2009 State Trust Fund Loan (the “**Refunding**”).
3. On the date hereof, prior to the adoption of this resolution, the Governing Body adopted an initial resolution authorizing the issuance of general obligation refunding bonds of the Issuer in the principal amount of not to exceed \$1,840,000 for the purpose of the Refunding.
4. The Clerk of the Issuer caused notice of the sale (the “**Notice to Bidders**”) of the Village of Fontana-on-Geneva Lake, Wisconsin General Obligation Refunding Bonds, Series 2012B (the “**Obligations**”) to be given to such media typically monitored by potential bidders. The Notice to Bidders is made of record in these proceedings, and the Governing Body ratifies the Notice to Bidders.

Section 3. Purposes of Borrowing; Issuance of Obligations.

The Governing Body authorizes the Obligations and orders that they be prepared, executed, and issued. The Obligations will be fully registered, negotiable, general obligation refunding bonds of the Issuer in the principal amount of \$1,840,000. The Obligations will be issued pursuant to the provisions of Chapter 67 of the Wisconsin to pay the costs of the Refunding and issuing the Obligations (including printing costs, fees for financial consultants, bond counsel, rating agencies, insurance, and registration, as applicable).

Section 4. Terms of Obligations.

The Obligations will be named “Village of Fontana-on-Geneva Lake, Wisconsin General Obligation Refunding Bonds, Series 2012B.” The Obligations will be dated the Original Issue Date, even if they are actually issued or executed on another date. Each Obligation will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Obligation will be \$5,000 or any multiple up to the principal amount authorized for that maturity.

The Obligations will bear interest from their Original Issue Date. Interest will be payable semiannually on each March 1 and September 1, beginning on March 1, 2013, until the principal of the Obligations has been paid. Interest on each Obligation will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date. The Obligations will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Obligations. The following table shows when the Obligations will mature and the rate of interest each maturity will bear:

<u>Maturity Date</u> <u>(March 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2013	\$ 80,000	2.00%
2014	100,000	2.00
2015	105,000	2.00
2016	105,000	2.00
2017	110,000	2.00
2018	105,000	2.00
2019	105,000	2.00
2020	110,000	2.00
2022	215,000	2.00
2024	220,000	2.20
2026	225,000	2.40
2029	360,000	2.70

To comply with statutory limitations on maximum maturity, the Issuer specifies that the Obligations are being issued to pay and discharge the original debts represented by the Refunded Bonds in the order in which those original debts were incurred. This means that the original debt represented by the Refunded Bond will be repaid within twenty years of the original date of such debt.

The principal of, and interest on, the Obligations will be payable in lawful money of the United States of America.

Section 5. Refunding of Refunded Bonds.

To provide for the redemption of each Refunded Bond on the Redemption Date, and to provide for the payment of interest coming due on the Refunded Bonds on that date, the Financial Officer is directed to transfer proceeds of the Obligations, including the purchase premium, to the debt service fund for the account of the 2009 State Trust Fund Loan. The transfers must be made on, or prior to, the Redemption Date. The amounts transferred must be sufficient, together with all other amounts then on deposit in the debt service fund, to pay the amount due on the Refunded Bonds.

Section 6. Redemption of Refunded Bonds.

Subject to the delivery of the Obligations and the receipt of the Purchase Price for the Obligations from the Purchaser, the Issuer irrevocably directs that the principal amount of the Refunded Bonds be redeemed and paid in full in advance of stated maturity on the Redemption Date. The appropriate officers of the Issuer are directed to instruct the fiscal agent for the 2009 State Trust Fund Loan to take all actions required to call the Refunded Bonds for redemption on

the Redemption Date, including giving notice in the manner required by the governing documents for the 2009 State Trust Fund Loan; *provided that* no action shall be taken to redeem the Refunded Bonds until after the Obligations are delivered and paid for. Notwithstanding the foregoing, the Issuer ratifies and approves any action that has been taken in connection with the Refunding and the redemption of the Refunded Bonds prior to the date of this resolution.

Section 7. Fiscal Agent.

The Issuer appoints the Fiscal Agent to act as paying agent and registrar for the Obligations. The appropriate officers of the Issuer are directed to enter into a fiscal agency agreement with the Fiscal Agent on behalf of the Issuer. The fiscal agency agreement may provide for the Issuer to pay the reasonable and customary charges of the Fiscal Agent for those services. The fiscal agency agreement must require the Fiscal Agent to comply with all applicable federal and state regulations. Among other things, the Fiscal Agent must maintain the Register.

Section 8. Appointment of Depository.

The Issuer appoints DTC to act as securities depository for the Obligations. An authorized representative of the Issuer has previously executed a blanket issuer letter of representations with DTC on the Issuer's behalf, and the Issuer ratifies and approves such document.

Section 9. Book-Entry System.

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Issuer's relationship with DTC is terminated, then the Issuer may appoint another securities depository to maintain the Book-Entry System.

The Issuer may decide at any time not to maintain the Obligations in a Book-Entry System. If the Issuer decides not to maintain a Book-Entry System, then it will do the following:

- (i) At its expense, the Issuer will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully registered certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The Issuer will appoint a fiscal agent to act as paying agent and registrar for the Obligations under Section 67.10 (2) of the Wisconsin Statutes (the Fiscal Agent may be reappointed in this capacity).

Section 10. Redemption.

The Obligations maturing on or after March 1, 2021 are subject to redemption before their stated maturity dates, at the Issuer's option, in whole or in part, in the order of

maturity selected by the Issuer, on March 1, 2020 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If less than all outstanding Obligations are redeemed, then the Obligations will be redeemed in \$5,000 multiples in accordance with Sections 11 and 12 hereof and, if a portion, but not all, of a maturity that is subject to mandatory partial redemptions by operation of a sinking fund (as described below) is being redeemed, then the Issuer will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption.

The Obligations maturing on March 1 in the years 2022, 2024, 2026, and 2029 (the “**Term Bonds**”) are also subject to mandatory partial redemptions prior to their stated maturity by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”), the Issuer will redeem the following principal amounts of the Term Bonds:

Term Bonds Maturing March 1, 2022

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2021	\$110,000

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2023	\$110,000
March 1, 2024 (Stated Maturity)	110,000

Term Bonds Maturing March 1, 2026

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2025	\$110,000
March 1, 2026 (Stated Maturity)	115,000

Term Bonds Maturing March 1, 2029

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2027	\$115,000
March 1, 2028	120,000
March 1, 2029 (Stated Maturity)	125,000

The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the Sinking Fund Redemption Date, and no premium will be paid. The particular Term Bonds to be redeemed will be selected in accordance with Sections 10 and 11 hereof, and the Issuer will give notice of the redemption in the manner stated in this resolution.

Section 11. Payment of Obligations/Transfers/Redemption Notices Under Book-Entry System.

So long as the Issuer maintains the Obligations in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, and the payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Issuer will issue new fully registered Obligations in the same aggregate principal amounts to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. If an Obligation has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by

sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligations for all purposes whatsoever under this resolution.

Section 12. Payment of Obligations/Transfers/Redemption Notices Not Under Book-Entry System.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the principal office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Obligation by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the Obligations of a particular maturity are to be redeemed, then the Issuer will randomly select the Obligations to be redeemed. If less than all the Obligations of a particular maturity are called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations must be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of the Obligations to be redeemed. A notice of redemption may be

revoked by sending a notice by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligation for all purposes whatsoever under this resolution.

Section 13. Form of Obligations.

The Obligations must be in substantially the form shown in Exhibit A. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution.

Section 14. Execution of Obligations.

The Obligations must be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations must be sealed with the Issuer's corporate seal (or a facsimile), if the Issuer has one, and they must also be authenticated by the manual signature of an authorized representative of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 15. Continuing Disclosure.

The appropriate officers of the Issuer are directed to sign the Continuing Disclosure Agreement, and the Issuer agrees to comply with all of its terms.

Section 16. Sale of Obligations.

The Issuer awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The Issuer approves and accepts the purchase agreement signed and presented by the Purchaser (the "**Purchase Agreement**") to evidence the purchase of the Obligations. The Municipal Officers are directed (i) to sign the Purchase Agreement in the Issuer's name and (ii) to take any additional actions needed to complete the sale of the Obligations, including arranging for a specific time and place of closing of the sale.

The Financial Officer is directed to comply with the terms of the Notice of Sale with respect to any good-faith deposit requirements.

The officers of the Issuer are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser in accordance with the Notice of Sale, the Purchase Agreement, and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by the Notice of Sale.

The sale of the Obligations is conditioned upon the Issuer furnishing the following items to the Purchaser:

- (i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.
- (ii) A transcript of the proceedings relating to the issuance of the Obligations.
- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the Issuer to issue them at the time of their delivery.

Section 17. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the Issuer irrevocably pledges its full faith, credit, and resources. The Issuer hereby levies upon all taxable property in its territory a direct, annual, and irrevocable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax must be carried from year to year into the Issuer's tax roll. It must be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the Issuer's tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund available to pay debt service on the Obligations for such year. This tax will be in the following amounts:

<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>	<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>
2012	\$138,608.78	2021	\$126,010.00
2013	138,060.00	2022	128,750.00
2014	141,010.00	2023	126,330.00
2015	138,910.00	2024	123,800.00
2016	141,760.00	2025	126,100.00
2017	134,610.00	2026	123,167.50
2018	132,510.00	2027	124,995.00
2019	135,360.00	2028	126,687.50
2020	133,160.00		

Section 18. Debt Service Fund.

The Treasurer is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in a Debt Service Fund used solely for paying debt service on general obligations of the Issuer. The Debt Service Fund must be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Issuer may create a separate account with the Debt Service Fund solely for the Obligations. Any accrued interest received at the time of delivery of the Obligations and the purchase premium, if any, paid to the Issuer by the Purchaser in excess of the stated principal amount of the Obligations must be deposited into the Debt Service Fund and used to pay debt service on the Obligations or the 2009 State Trust Fund Loan. If the money in the Debt Service Fund is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the Issuer will promptly provide the necessary funds to make the payment from other sources available to it.

Section 19. Borrowed Money Fund.

The sale proceeds of the Obligations (not including any accrued interest or premium received) must be deposited in and kept by the Treasurer in a separate fund. The fund must be designated with both the name of the Obligations and the name Borrowed Money Fund (herein referred to as the “**Borrowed Money Fund**”). Money in the Borrowed Money Fund, including the earnings, must be (i) used to pay the costs of the Refunding and issuing the Obligations or (ii) transferred to the Debt Service Fund as provided by law.

Section 20. Official Statement.

The Issuer approves and ratifies the preliminary offering document prepared and distributed in connection with the sale and issuance of the Obligations, and the Issuer authorizes and approves the addendum to that document (collectively, the “**Official Statement**”); *provided* that the Official Statement must be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers must deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies

on behalf of the Issuer. Execution and delivery of the Official Statement conclusively evidences the approval of the Municipal Officers.

Section 21. Publication of Notice.

The Recording Officer must publish notice that the Issuer has agreed to sell the Obligations. The notice must be published in the Issuer's official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the adoption of this resolution. The notice must be in substantially the form shown in Exhibit B. The Recording Officer must obtain proof, in affidavit form, of the publication, and must compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 22. Authorization of Officers.

The appropriate officers of the Issuer are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

- (i) Certified copies of proceedings and records of the Issuer relating to the Obligations and to the financial condition and affairs of the Issuer.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the books and records under the officer's custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose are representations of the Issuer as to the facts they present.

Section 23. Qualified Tax-Exempt Obligations.

The Issuer designates the Obligations as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Section 24. Tax Law Covenants.

The Issuer covenants that it will comply with all requirements of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 25. Further Authorization.

The Issuer authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 26. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, the Issuer rescinds that part of the prior action.

Section 27. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 28. Effective Date.

This resolution takes effect upon its adoption and approval in the manner provided by law.

Interest is payable semiannually on March 1 and September 1, beginning on March 1, 2013, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of obligations (the “**Obligations**”) of the Issuer of an aggregate principal amount of \$1,840,000, all being of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Issuer pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and is authorized by the resolution duly adopted by the governing body of the Issuer on February 27, 2012, entitled: “A Resolution Authorizing and Providing for the Sale and Issuance of \$1,840,000 General Obligation Refunding Bonds, Series 2012B, and All Related Details” (the “**Resolution**”). The Obligations are issuable only in the form of fully registered obligations.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the Issuer (a “**Depository**”), or in the name of the Depository’s nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a “**Book-Entry System**”). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect by Bond Trust Services Corporation, or any successor fiscal agent appointed by the Issuer under Section 67.10 (2) of the Wisconsin Statutes (the “**Fiscal Agent**”), who will act as paying agent and registrar for the Obligations.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or prior redemption date at the principal office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid by the Fiscal Agent, on each interest payment date, by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name this Obligation is registered on the register (the “**Register**”) maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the “**Record Date**”).

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of and interest on this Obligation, the Issuer has irrevocably pledged its full faith, credit, and resources. The Issuer has levied upon all taxable property in its territory a direct, annual, and irrevocable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on or after March 1, 2021 are subject to redemption before their stated maturity dates, at the Issuer’s option, in whole or in part, in the order of maturity selected by the Issuer, on March 1, 2020 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If less than all outstanding Obligations are redeemed, then the Obligations will be redeemed in \$5,000 multiples in accordance with the Sections below and, if a portion, but not all, of a maturity that is subject to mandatory partial redemptions by operation of a sinking fund (as described below) is being redeemed, then the Issuer will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption.

The Obligations maturing on March 1, in the years 2022, 2024, 2026, and 2029 (the “**Term Bonds**”) are also subject to mandatory partial redemptions prior to their stated maturity by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”), the Issuer will redeem the following principal amounts of the Term Bonds:

Term Bonds Maturing March 1, 2022

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2021	\$110,000
March 1, 2022 (Stated Maturity)	105,000

Term Bonds Maturing March 1, 2024

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2023	\$110,000
March 1, 2024 (Stated Maturity)	110,000

Term Bonds Maturing March 1, 2026

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2025	\$110,000
March 1, 2026 (Stated Maturity)	115,000

Term Bonds Maturing March 1, 2029

<u>Sinking Fund Redemption Date</u>	<u>Principal Amount to be Redeemed</u>
March 1, 2027	\$115,000
March 1, 2028	120,000
March 1, 2029 (Stated Maturity)	125,000

The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the Sinking Fund Redemption Date, and no premium will be paid. The particular Term Bonds to be redeemed will be selected as described below, and the Issuer will give notice of the redemption in the manner described below.

So long as the Issuer maintains the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent and in exchange and upon the

payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Issuer will issue new fully registered Obligations in the same aggregate principal amounts to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. If an Obligation has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or

the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. If a portion of an Obligation has been called for redemption, then on the redemption date, and upon surrender of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Issuer will randomly select the Obligations to be redeemed. If less than all the Obligations of a particular maturity are called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations must be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of any Obligations to be redeemed. A notice of redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The Issuer certifies, recites, and declares that all acts, conditions, and procedures required by law to be, or to be done, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been done and performed in regular and due form, time, and manner as required by law; that the indebtedness of the Issuer, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrevocable tax has been levied by the Issuer sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

IN WITNESS WHEREOF, the Issuer, by its governing body, has caused this Obligation to be executed in its name and on its behalf by the manual or facsimile signatures of its President and Clerk and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of March 15, 2012.

Subject: \$1,840,000
Village of Fontana-on-Geneva Lake, Wisconsin
General Obligation Refunding Bonds, Series 2012B

We have acted as bond counsel to the Village of Fontana-on-Geneva Lake, Wisconsin (the “**Issuer**”) in connection with the issuance of its \$1,840,000 General Obligation Refunding Bonds, Series 2012B, dated March 15, 2012 (the “**Obligations**”).

We examined the law, a certified copy of the proceedings relating to the issuance of the Obligations, and certifications of public officials and others. As to questions of fact material to our opinion, we relied upon the certified proceedings and certifications without independently undertaking to verify them.

Based upon this examination, it is our opinion that, under existing law:

1. The Obligations are valid and binding general obligations of the Issuer.
2. All taxable property in the Issuer’s territory is subject to *ad valorem* taxation without any limit as to rate or amount to pay the principal and interest coming due on the Obligations. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Obligations except to the extent that the Issuer has deposited other funds, or there is otherwise surplus money, in the debt service fund created for the Obligations under Wisconsin law.
3. Interest on the Obligations is excluded from gross income for federal income tax purposes and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on all taxpayers; however, interest on the Obligations is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations. The Issuer must comply with all requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”), that must be satisfied after the Obligations are issued for interest on the Obligations to be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has agreed to comply with those requirements. Its failure to do so may cause interest on the Obligations to be included in gross income for federal income tax purposes, in some cases retroactively to the date the Obligations were issued. The Issuer has designated the Obligations as “qualified tax-exempt obligations” for

purposes of Section 265(b)(3) of the Code. We express no opinion about other federal tax law consequences relating to the Obligations.

The rights of the owners of the Obligations and the enforceability of the Obligations may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or an equitable proceeding).

We express no opinion as to the truth or completeness of any official statement or other disclosure document used in connection with the offer and sale of the Obligations.

Our opinion is given as of the date of this letter. We assume no duty to update our opinion to reflect any facts or circumstances that later come to our attention or any subsequent changes in law. In acting as bond counsel, we have established an attorney-client relationship solely with the Issuer.

Very truly yours,
