

Resolution No. 11-07-11-01

An Amendment to the Resolution authorizing specific Village Property owners to participate in 2011 deer bow hunting season

Whereas, it has been since the fall of 2006 since the Village of Fontana on Geneva Lake has adopted a resolution authorizing specific Village properties to participate in the Wisconsin Department of Natural Resources (DNR) Chronic Wasting Disease (CWD) eradication hunt; and,

Whereas, the DNR established a CWD management goal to reduce the deer herd to five deer or fewer per square mile to stop the disease transmission and eradicate the disease; and,

Whereas, the Village of Fontana is currently inundated with several dozen deer throughout the village; and,

Now therefore be it resolved, that the Village of Fontana on Geneva Lake compiled a listing of the permitted parcels, authorized hunting agents, specified hunting regulations and hours, and other pertinent information which is hereby attached to this resolution as "Exhibit A".

Be it further resolved, that only the parcels listed on the "Exhibit A" shall be eligible to apply for a Landowner's permit and the hunting shall be authorized only through January 12, 2012.

Be it further resolved, that this Resolution is to be effective upon adoption.

Approved and Adopted this 3rd day of October, 2011.
