

Resolution 12-03-12-03

A resolution authorizing winter parking on the beach for the ice boaters with some conditions.

Whereas, the Village of Fontana Board of Trustees has an ordinance prohibiting parking in any park; however, the ordinance also allows for some exceptions; and,

Whereas, the Village of Fontana Board of Trustees and the Lakefront and Harbor committee would like to work with the ice boaters to open the beach for parking to allow easier access to the ice for their boats and equipment; and,

Now therefore be it resolved, that the Village of Fontana will authorize parking on the beach for the day only and no overnight parking will be allowed, unless further authorization is granted by the Village Administrator or Police Chief to allow for exceptions in the event an ice boating regatta or other situations are present.

Adopted this 3rd day of December, 2012.
